Training  
August 4~8, 2025

To all World Archery Asia Member Associations

Dear President,

World Archery Asia Development Committee is pleased to invite you to the 2025 World Archery Asia (WAA) Archery Challenge & Joint Training program for Asian archers, from August 4 to 8, 2025.

Following the success of last year's event, we are excited to host this prestigious event in Incheon, Korea once again. Incheon is one of Korea's most dynamic cities, known for its modern infrastructure and rich archery history. It is with great pride that we continue to hold this event here.

This program aims to elevate the performance of Asian archers through specialized indoor and outdoor training, culminating in the Asia Archery Challenge, where participants will experience the excitement of international-level competition.

With the strong support of the Local Organizing Committee and World Archery Asia's dedication, we are confident that this event will provide valuable experiences for all participants and contribute to the continued growth of archery across the continent. We look forward to seeing archers from all over Asia come together to train, compete, and forge lasting memories.

We eagerly anticipate welcoming you and your athletes to Incheon, where together we will continue to shape the future of archery in Asia.

Best regards,

A handwritten signature in black ink, appearing to read "Thomas Han".
