## 1080 QRE Policy

### GUIDELINES

12) The only Target Rounds to be shot at QREs for each gender, equipment and age division are listed in Appendix 1.

Target Round – The 72 arrow rounds are the primary rounds that will be shot at all target QREs, although 144 arrow rounds may also be shot as an additional option.

13) In line with Archery Australia Shooting Rules the host shall check the membership card of each entrant at registration to ensure they are current financial affiliates.

14) The QRE Official or Judge officiating at the QRE MUST carry out Equipment Inspection prior to the start of shooting.

### Conditions/Rules

11) Target QREs must be shot outdoors during daylight hours.

15) Scores may be considered for a “Record Claim” but only if a Judge (Candidate Judge) was officiating and the QRE was conducted in line with “Record Requirements”, in that there must have been competitors from more than on club shooting and completing the QRE.

19) There must be a minimum of 20 minutes and a maximum of 45 minutes practice provided.

20) All shooting (scoring) MUST commence at the same time and as soon as possible after practice has been completed.

21) All shooting must be timed and timing must be in line with World Archery rules.

22) World Archery rules must be followed at all times.

23) Due to possible divisions and entry numbers if there is only 1 archer shooting on a target, a Judge/QRE Official or an archer from a nearby target MUST supervise scoring.

24) There are two scoring methods permitted for QREs -

- Double paper scoring

- Electronic scoring (with a single paper scorecard) using Archers Diary's "Iscored.today".
