BOOKS 1-5

FITA CONSTITUTION AND RULES

ADDENDUM January 1st, 2008

Approved by FITA Council on 4 July 2007

Effective as of 1 January 2008

Book 2, Article 7.4.2.3 :

7.4.2.3 An arrow shot on the competition field after the DOS has officially closed the practice session (which is after the pulling of the practice arrows); or during the breaks between distances or rounds, will be considered part of the next scoring end. It will cause the athlete to lose the highest scoring arrow of the next scoring end, which will be scored as a miss.

Book 2, Article 7.6.4.1 (replace):

7.6.4.1 In tournaments where there are no official scorers and the athletes score themselves, the signing of the score card also denotes that the athlete agrees with the sum total (identical on both score cards), the number of 10's and the number of X's. Should a discrepancy be found in the sum total, the sum total of the lowest arrow scores will become final.

The organisers are not obligated to accept or record scorecards that are submitted without signatures, the total sum, the number of 10's and the number of X's.

Book 2, Article 7.6.4.2 :

7.6.4.2 For Elimination Rounds, scorecards shall be signed by the two athletes in the match, denoting that both athletes agree with the

value of each arrow, the total sum, the number of X's and the result of the match. The scorer and the archers are responsible for completely filled in scorecards (Xs; 10; totals, signatures). Any information missing on the scorecard will be considered as non-existing (0) for rankings.

Book 2, Article 7.6.4.3 (new) :

7.6.4.3 For all Elimination and Finals Rounds scorecards shall be signed by the two athletes in the match, denoting that both athletes or archers' agents agree with the value of each arrow, the total sum, the number of Xs, 10s and the result of the match.

Book 2, Article 7.8.2.4 :

7.8.2.4 An arrow shot on the competition field after the DOS has officially closed the practice session on the competition field (which is after the pulling of the practice arrows), or during the breaks between distances or rounds, will be considered part of the next scoring end. It will cause the athlete to lose the highest scoring arrow of the next scoring end, which will be scored as a miss. This violation will be notified by the judge raising a red card.

Book 2, Article 7.8.2.8 :

7.8.2.8 If a member of the team shoots more than the required number of arrows in alternate shooting before returning behind the 1-m line, the team will lose the highest scoring arrow of that end. This violation is notified by a judge raising a red card.

Book 3, Article 8.4.2.3 :

8.4.2.3 An arrow shot after the DOS has officially closed the practice session on the competition field, (which is after the pulling of the practice arrows), or during the breaks between distances or

rounds, will be considered as part of the next scoring end. It will cause the athlete to lose the highest scoring arrow of the next scoring end, which will be scored as a miss. (see also article 8.6.2.2).

Book 3, Article 8.6.4.1 (replace) :

8.6.4.1 In tournaments where there are no official scorers and the athletes score themselves, the signing of the score card also denotes that the athlete agrees with the sum total (identical on both score cards), the number of 10's and the number of 9's. Should a discrepancy be found in the sum total, the sum total of the lowest arrow scores will become final.

The organisers are not obligated to accept or record scorecards that are submitted without signatures, the total sum, the number of 10's and the number of 9's.

Book 2, Article 8.6.4.2 :

8.6.4.2 For Elimination Rounds, scorecards shall be signed by the two athletes in the match, denoting that both athletes agree with the value of each arrow, the total sum, the number of 9s and the result of the match. The scorer and the archers are responsible for completely filled in scorecards (9s; 10s; totals, signatures). Any information missing on the scorecard will be considered as non-existing (0) for rankings.

Book 3, Article 8.6.4.3 (new) :

8.6.4.3 For all Elimination and Finals Rounds scorecards shall be signed by the two athletes in the match, denoting that both athletes or archers' agents agree with the value of each arrow, the total sum, the number of 10s, 9s and the result of the match.

Book 3, Article 8.8.2.4 :

8.8.2.4 An arrow shot on the competition field after the DOS has officially closed the practice session on the competition field, (which is after the pulling of the practice arrows), or during the breaks between distances or rounds will be considered as part of the next scoring end. It will cause the athlete to lose the highest scoring arrow of the next scoring end, which will be scored as a miss. This violation will be notified by the judge raising a red card. (8.4.2.3, see also 8.6.2.2).

Book 3, Article 8.8.2.9 :

8.8.2.9 If a member of the team shoots more than the required number of arrows in alternate shooting before returning behind the 1-m line, the team will lose the highest scoring arrow of that end. This violation is notified by a judge raising a red card.
